SERVICES FOR
PARTICIPATING FAMILIES

Choose How You Want to Make an Impact.

DIRECT SERVICE PROFESSIONALS

Provide supervised visitation
and/or safe exchange services.

- LCSWs, LMSWs, and psychotherapists
- Child and family therapists
- Domestic violence professionals
- Child welfare, family court, retired human service, and parent/family support professionals

Approx. 10 hours/month
Flexible scheduling available.

EMERGING PROFESSIONALS

Gain specialized experience
through training, mentorship,
and supervised practice.

- MSW students (field placements)
- Recent MSW graduates
- New LMSWs
- Early-career clinicians / professionals transitioning into family court or forensic social work

*Build real-world experience
in forensic social work,
family court, DV-informed
practice, and professional
documentation.*

CLINICAL SUPERVISORS & SUBJECT MATTER EXPERTS

Train, mentor, consult, and
strengthen the next generation
of practitioners.

- Provide clinical supervision and consultation
- Support training and professional development
- Guide documentation and court-report best practices
- Share expertise in DV-informed, family-centered practice

*Your expertise strengthens
families and grows the workforce.*
